5. Tenders will be opened by the Lady Medical Officer in charge at her office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.
6. The rates for each item may be specified in figures as well as in words, and they must be for the particular kind or brand of the articles as specified in the list appended thereto. 7. The quantities stated in the list are not guaranteed.
8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.
9. The deposit of the successful tenderer will be retained, and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 50), within three days from the date of his receiving the information of the acceptance of his tender.
